Worthy Sir Knights of Ohio District 2;

It came to my attention that there was an incident in the district that I need to address. Without saying who, when, or where, I will simply give you our “rules to live by” when turning out with your Assembly Color Corps in 4th Degree Uniform. Assembly Officers PLEASE see that your Assembly Membership understands this information. Ohio District 2 Marshals and Commanders, please review this information at all turnouts.

1. You must understand that when you put on the 4th Degree Uniform, you are REPRESENTING ALL SIR KNIGHTS in the 4th Degree Knights of Columbus, as well as the entire Order.
2. You must understand that EVERYONE has a VIDEO CAMERA on their phone, and WILL USE IT.
3. You must understand that what you say reflects upon all Sir Knights. Period.
4. When turning out to receive the body of a Priest or posting as Honor Guard for the deceased, you must show proper respect and decorum during this solemn event. This includes the entire time whether you are currently posting or waiting your turn.
5. Request a meeting area for the Sir Knights to assemble at the church or funeral home, and, if you have a question on behavior, see 1 thru 4 above.

Vivat Jesus,

SK Daniel Roggelin PGK, PFN, DDC
